ANNUAL Rotary Club of Laguna Sunrise, Golf Tournament

Proceeds are to support our local and worldwide causes. To name a few, we were able to provide support to our Interact teen Service Clubs, Foster services outreach, and support music in our elementary schools and literacy programs and provide dictionaries to the third graders in elementary schools,. Rotary International's primary goal is to eradicate polio and we support the fundamental housing needs of families in our Sister City of Elk Grove, Conception de Ataco, El Salvador.
